## SUPPORT OUR CAUSE...

From the moment of our founding in 1882, charity has been the first principle of the Knights of Columbus. We are men of faith, and men of action.

We undertake acts of charity because we see those in need through the eyes of faith. Moreover, in the Knights of Columbus, we approach these acts of charity together. Pope Francis calls this the "practice of love...as a community."

Our Council's activities encompass a variety of local, national and international projects. From international charitable partnerships with Special Olympics, commitment to helping those in need, support of our Armed Forces, and devotion to our local community and those who are most in need; the opportunity to work together with fellow Knights and their families is virtually endless.
